# INTENTIONS OF FATHER ALOYSIUS REGARDING M.A.P.

| Fr. Charles Carpenter, M.A.P. | Fr. Aloysius Ellacuria, C.M.F. |
|---|---|
| Father General's original approval is no longer in force. | Charlie is wrong. Father General never retracted. |
| Father General's permission was a conditional permission. The conditions were not met, therefore we are not safe to act. | Really, he is completely confused. From now on we don't discuss anything with him. I cannot share some of your opinions. |
| Pending approval of the superiors was a condition for letting Fr. Aloysius continue the project. | No! No! No! No! The General doesn't say that. He felt that if they find a home somewhere else let them go. |
| The Claretian Father General terminated Fr. Aloysius' involvement in M.A.P. when they left Fatima in 1973. | I was never deposed. I was just told to assign, to form a succcessor. Charlie is wrong. Father General is still in favor and never retracted. |
| Although Father Aloysius is in good faith, he is mistaken regarding his relationship with the M.A.P. and suffering from a misunderstanding. | What misunderstanding? I'm still the Superior. Charlie still should have some obedience to me. |
| Vocations for the M.A.P. should not be solicited until the work is approved by the Church. | But how can Bishop give us the canonical approbation without boys? |
| The human sign of our readiness for our cooperation in an active wayis the moment we are in a position to move, which means cannonical permissions from a Bishop. Until that is obtained it is meaningless to work for vocations. Its even dangerous because it may later impede our recognition by the Chruch. | I cannot share with you, Charlie, some of your opinions. Sorry Charlie, but I feel very, very disapppointed. I don't think you would make a good leader. But no use in discussing with Charlie, because I see it is all useless. So from now on I am not going to ask you, Charlie, anything. |
| Father Aloysius has a duty to inform his local superiors about Father's work for the M.A.P. | |
| Father Aloysius will regarding the M.A.P. are opinions. | |
